2023 Summer Reading Program

June 11-July 29, 2023

Help us reach our community goal of 80,000 minutes

Guidelines:

1) Visit the Marshall Community Library website (marlib.org/SRP) for more information or to sign up on Beanstack. Registration begins June 5; tracking begins June 11.

2) Everyone who _signs up_ for the program will be able to choose a free book. Those who complete the program may choose from a variety of prizes. Also, each hour read earns a ticket for a prize drawing. The prize drawings will take place on August 1st.

3) **New for 2023**: There will be two Beanstack categories (children or adult) this year, with different prizes for each category. Teens aged 12-16 can choose either category. You may want to stop by the library and check out the prizes in the display case before you sign up.

4) Summer Reading Program ends July 29. Submit all reading logs and tickets for prize drawings by July 31. Winners will be notified on Tuesday, August 1. Please pick up prizes by August 15.

5) **Calling all Super Readers:** Are you one of the few who LOVE to read a LOT? We have a special drawing for those who read more than 25 hours this summer.
